I had a painfully interesting and unpleasant visit with Jane and our relations with Charlotte & the children. They have wounded her so deeply that it is difficult to overcome her feelings.

Mayor Herrick called & chatted with me & spent 2 or 3 hours visiting & discussing the propriety of various measures of public importance such as turning over the Water Company's rights & properties to the City - in which Franklin Lorenzo & Charles joined. He expressed himself willing to favor the measure if Past. Peery would join in the recommendation.
